

Privacy Filter 2-Way Magnetic iPad Pro 12.9"

The Secret 2-Way privacy filters prevent your display from being viewed from two sides (left/right)

Remote working has made tablets increasingly popular. In public places, it is difficult to protect the data on the display from being seen by third parties. DICOTA has the perfect solution for you! The Secret 2-Way is a highly effective protective film for your display that protects personal and confidential data from prying eyes. The film adheres directly to the full surface of your display within a question of seconds thanks to the magnetic strips.
